

Okay, I can create a detailed travel itinerary from Jodhpur to Delhi. To make it the **best** itinerary for you, I need a little more information. Please tell me:

****1. How many days do you have for this trip?**** (This is the most crucial factor!)

****2. What is your preferred mode of transport from Jodhpur to Delhi?****

- * ****Train:**** (Most common, often overnight, requires booking in advance)
- * ****Flight:**** (Fastest, but more expensive)
- * ****Bus:**** (Cheapest, but longest and least comfortable)
- * ****Car/Taxi:**** (Offers flexibility, but can be tiring for long distances. Are you planning on hiring a driver?)

****4. What are your interests?**** (History, Culture, Food, Shopping, Relaxation, Adventure, etc.)

****5. What time of year are you traveling?**** (This affects weather and potential events/festivals)

****6. Who are you traveling with?**** (Solo, Couple, Family with children, Group of friends)

****Once I have this information, I can build a personalized itinerary. In the meantime, here's a **sample** itinerary assuming a 4-day trip, traveling by train, with a mid-range budget, and an interest in history, culture, and food:****
